#### INSTRUCTIONS:

For Dark Book-

1. Use brush to apply a basecoat of Blackened Bronze to entire inside and outside of book. Allow to dry.
2. Use rag to dry wipe outside surface with Gold to highlight recessed details on book. Allow to dry.

For Light Book-

1. Use brush to apply a basecoat of Copper to entire outside of book. Allow to dry.
2. Use brush to apply a basecoat of Blackened Bronze to inside of book. Allow to dry.
3. Use rag to dry wipe outside surface with Gold to highlight recessed details on book. Allow to dry.

For Both Books-

4. Use embossing pen to write book title on spine. Sprinkle wet embossing ink with embossing powder. Use embossing heat tool to melt and raise (emboss) powder. Reaction is complete when ink turns shiny. This will take just a few seconds.

5. Spray on Black Tint sparingly to accentuate embossing and recessed details on book. Brush on Black Tint where “pages” are to accentuate the page look.
