

PROJECT TITLE:
Grecian Patina Plant Pot

DESIGNED BY:
Kathy Kromer

SKILL LEVEL: *(1 being the easiest, 5 being of highest difficulty)*
Adult 1

TIME TO COMPLETE:
45 min. (plus drying time between coats)

Design metallic plate chargers to dress up your table for family and guests during the holidays or anytime a festive table setting is desired.

PROJECT TIP:
Apply a weather resistant sealer to finished project before using container outdoors.

SEARCH TEXT: *(Please provide words which the consumer may use to search for this project. Words in this section should be in lowercase type and separated with one space between each word only.)*

Grecian patina floral container pot sterlite antique easy expensive look outdoor décor sophisticated finishes modern options triangle coatings

INSTRUCTIONS:

1. Apply Rustable Metal Primer to underside of plate and allow to dry.
2. Use brush to paint entire underside of plate with Copper. While paint is wet, use a circle motion while dragging combing tool through paint to create design. Let dry.
3. Use sponge to dab on Gold on top of dried paint design. Allow to dry.
