INSTRUCTIONS:

1. Use brush to apply primer to tissue holder and wooden candle cups. Allow to dry.
2. Use brush to apply Platinum to candle cups. Allow to dry and then add a second coat.
3. Continue with same brush to apply Platinum to outside of tissue box. While paint is wet, spray on patina solution. Reaction will begin in 10 – 15 minutes. Allow to dry.
4. Glue sand dollars onto front of tissue holder. Use dry brush technique to apply Platinum onto edges of tissue holder and top and side edges of sand dollars for highlights.
5. Use brush to apply Platinum to strands of raffia. This will dry quickly.
6. Glue painted raffia to front of tissue holder around sand dollars. Glue candle cups to bottom underside corners of tissue box.
