

PROJECT TITLE:
Silver Black Metallic Frame and Pillar Candle
Decor

DESIGNED BY:
Kathy Kromer and Lee Anne Powers

SKILL LEVEL: (1 being the easiest, 5 being of highest
difficulty)
Adult 1

TIME TO COMPLETE:
45 min. (plus drying time between coats)

Create a high-end designer look on a plain wooden frame and pillar candle. Modeling Paste adds texture and Sophisticated Finishes Silver Metallic Surfacer adds sparkle.

PROJECT TIP:
Work Modeling Paste with any tool to create the desired texture and design. Use Metal Cleaning Solution when apply metallic surfacer to dirty, old, tarnished or worn metal.

silver metallic modeling paste texture frame candle pillar easy expensive look home décor sophisticated finishes modern options triangle coatings

INSTRUCTIONS:

1. Use pallet knife to generously spread modeling paste over entire surface of frame and outside of candle. Use combing tool or other desired tool to create vertical lines in the paste. Allow paste to dry.
2. Use Metal Cleaning Solution to clean surface to be painted on metal candle holder, if necessary. Apply Rustable Metal Primer and allow to dry.
3. Use brush to paint dried paste surfaces with Silver. Let dry and then apply another coat. Allow to dry.
4. Brush on Black Tinting Solution as desired. Allow to dry.
